

The safety and wellbeing of our E-type Club members is a priority to us and with that in mind, we have reluctantly decided to cancel all our events for the remainder of 2020, except:

4 - 10 September - Yorkshire Dales to Isle of Man Tour (Backwater Tours)

15 – 21 September - Angoulême Circuit des Remparts Tour (Classic Grand Touring)

We are in the planning stages of events for 2021 and beyond – look out for updates in the magazines.
