

The Geneva Run

With 9600 HP, the launch press car

14 - 26 June 2021

This will be a once-in-a-lifetime opportunity!

Mathias Doutreleau, Co-Founder of the renowned Concours d'Elegance Suisse, has extended an exclusive invitation to the Jaguar E-type Club to attend and celebrate the 60th Anniversary in style. The venue, the stunning Château de Coppet, sited on the banks of Lake Geneva, will form the backdrop to this illustrious event, in full view of Mont Blanc. This exceptional Tour of 12 days is fully hosted and has the support throughout of a mechanic. The Tour includes luxury hand-picked 4 and 5 star accommodation, fine dining, superb driving, special excursions, Channel crossings and bespoke VIP entry into the 3-day Concours.

Accompanying the tour will be 9600 HP, the press car used by Jaguar Cars for the original E-type launch in Geneva in 1961.
